During the Organic Chemistry Lecture you can submit a question by using your Smart Phone or any other web enabled device such as a iPad, some other tablet, or a laptop computer.

You first need to log-in to the system. Go to:

Your User Name is the same as your Net-ID. Your PIN Number is listed in the class Blackboard Gradebook. Log into Blackboard, go to the gradebook and find you PIN Number. Don’t share it with other students.

After you log-in to Ask OSCER you will see a text box. Type your question in the text box and press Send. From time to time your instructor will choose the best questions and display them on the screen for all students to see.
